Finger Play Rhyme:

Up the tall white candlestick (place your arm from the elbow up to represent a candlestick)

Went little mousie brown. (one finger to represent the mouse).

But when he got up to the top, (have the mouse climb up the candlestick)

He could not get back down.

He called for Mama, (cup hand around your mouth and shout)

"Mama, Mama!"

But Mama was in town.

So she called for daddy, (cup hand around your mouth and shout)

"Daddy, Daddy!"

But Daddy wasn't around

So little mousie curled right up (curl your fingers up and roll them down your arm)

And rolled right back down.
