

PLANT A RAINBOW

Activity:

Read [Planting a Rainbow](#) by Lois Ehlert on Hoopla and then “plant” your own seeds and watch your flowers grow in a fun springtime craft!

Materials:

- coloured paper
- small piece of string or yarn
- glue
- scissors
- white sheet of paper

Instructions:

1. Cut flower petals and centres from coloured paper
2. Cut stems and seeds from green paper
3. Cut string into several small strips for roots
4. Cut brown paper into several pieces for soil
5. Make the flower garden by combining the pieces!

*substitute coloured paper with white pieces that are coloured in
