POKEMON SCAVENGER HUNT INSTRUCTIONS

Oh no! After searching all day for good Halloween costumes for the Halloween festival, it seems that one of Ash Ketchum's Pokemon has gotten lost! We think that Team Rocket is up to no good. Can you help him out?

Search egpl.ca and find pictures with letters in them. There are nine (9) in total to find.

Once you have found all of the letters, unscramble them to find the name of the missing Pokemon!

Email the missing Pokemon's name to Sarah at sharrison@egpl.ca to enter a draw for prizes.
